MANIFESTO FOR RACE EQUITY & PARENT LEADERSHIP IN EARLY CHILDHOOD SYSTEMS

Created by parents for parents, this is a new version of the original Manifesto, released in 2019. It provides a platform for parents to address inequities and racism in early childhood agencies and systems through building awareness, advocating, and organizing. By outlining how parent voice, engagement, and leadership can be implemented at all levels of early childhood systems and agencies, the Manifesto 2.0: The Parent Edition will create and promote equitable outcomes for the health and well-being of all children.
