

FORWARD EVER

Leonard Burton's First Year as President & CEO of CSSP

VISION

Our **first ever** strategic planning process is underway, and we are excited to share our vision around economic justice, health justice, and family autonomy—all underpinned by racial justice.

STAFF

We have launched a new **leadership coaching and professional development program** and have additionally engaged both **HR coaching** and **strategic communications coaching** to support staff growth.

INFRASTRUCTURE

We have added a **Director of Human Resources** and are hiring for a **Director of Development**.

CONTINUOUS LEARNING

For the **second year**, staff developed internal agendas to prioritize regular learning about **anti-racism and equity** across our work.

LEADERSHIP

We have added **three new members** to CSSP's Board of Directors, bringing new and diverse voices to our governance.
